

## **[ORGANIZATION NAME] Honored with 2025 Excellence in Wellness Award**

*The Excellence in Wellness Award honors organizations dedicated to enhancing employee well-being and the implementation of impactful health and wellness programs.*

**CITY, DATE – [ORGANIZATION NAME]** is pleased to announce that it is a recipient of the Marquee Health 2025 Excellence in Wellness Award. The recipients of this prestigious award are recognized for providing a best-in-class health and wellness program to its employees and for promoting a culture of health and well-being throughout the entire organization.

Over 2,000 companies of all sizes were evaluated on specific metrics with only twenty-nine winning organizations being named awardees. Utilizing 2024 wellness program data, award winners were determined using an aggregate score in four categories:

- Being an Impact Player: Program Engagement
- Total Wellbeing Support: 5 Pillars of Wellbeing & Benefit Integration
- Strong Leadership Support and Participation
- Improvements in Clinical Outcomes

Marquee Health works alongside companies to elevate employee engagement and in turn companies experience a wide range of benefits from implementing effective wellness programs. Organizations have reported decreased absenteeism, higher retention rates and worker satisfaction, greater productivity, and reduced medical costs.

### **[ORGANIZATION QUOTE]**

“We are honored to recognize this year’s Excellence in Wellness Award winners for their remarkable commitment to offering wellness programs that ultimately result in stronger, more engaged workforces and sustainable business success.” says Jonathon Short, President of Marquee Health. “Twenty-nine outstanding companies have exceeded organizational standards for helping their employees maintain healthy lifestyles and achieve long-term change. Their leadership and dedication inspire us all to continue advancing workplace wellness initiatives that make a meaningful impact!”
