Title: We've Been Named a 2026 Excellence in Wellness Award Winner!

It is our great pleasure to announce that **[ORGANIZATION NAME]** has been named a 2026 Excellence in Wellness Award winner by **Marquee Health**. After a thorough review of over 2,500 companies, we are honored to be one of just 30 recipients. We take immense pride in being counted among organizations that share our dedication to employee health and wellness.

Our Commitment to Employee Well-being

We are extremely honored to be recognized alongside like-minded organizations. Our ability to offer comprehensive wellness initiatives stems from a genuine desire to prioritize and support our employees as they strive to reach their full potential.

Excellence in Wellness Award Criteria

The award criteria were based on 2025 program data, with companies of all sizes considered. Winners were determined using an aggregate score across four categories:

- **Being an Impact Player:** Program Engagement
- **Total Wellbeing Support:** 5 Pillars of Wellbeing & Benefit Integration
- Strong Leadership Support and Participation
- Improvements in Clinical Outcomes

Our Impact

By prioritizing health and wellness, we have cultivated a vibrant, engaged workplace culture where both our employees and our organization can thrive. This is evidenced by our success metrics **[ENTER SUCCESS STATS HERE such as reduced employee absenteeism, increased employee satisfaction, and reductions in medical costs.]**

A Cornerstone of Our Identity

Health and wellness are fundamental to who we are as an organization. Being recognized as an **Excellence in Wellness Award** recipient reflects the intention, investment, and commitment we place in supporting our employees with resources, programs, and encouragement.
