

[ORGANIZATION NAME] Honored with Excellence in Wellness Award

The Excellence in Wellness Award recognizes organizational commitment to employee well-being and successful execution of effective health and wellness initiatives.

CITY, DATE – **[ORGANIZATION NAME]** is proud to announce its selection as a recipient of the Marquee Health 2026 Excellence in Wellness Award.

This award acknowledges organizations dedicated to advancing corporate wellness initiatives. Winners are recognized for delivering exemplary health and wellness programs to their employees and fostering a culture of health and well-being within their organizations.

Thirty organizations were chosen from over 2,500 candidates of varying sizes. Selection was based on an evaluation of 2025 wellness program data across four categories:

- **Impact Player:** Program Engagement
- **Total Wellbeing Support:** Five Pillars of Wellbeing & Benefit Integration
- Leadership Support and Participation
- Clinical Outcome Improvements

Organizations honored by Marquee Health experience the value of comprehensive wellness programs firsthand, including increased productivity, reduced healthcare costs, fewer workers' compensation and disability claims, and lower absenteeism across their workforce.

[ORGANIZATION QUOTE]

"We're proud to recognize these organizations for their ongoing dedication to supporting employee health and well-being. By making wellness a priority, they continuously empower their people to take an active role in their health while providing the resources needed to thrive, fostering a workplace filled with engaged, energized, and resilient team members," said Jonathon Short, President of Marquee Health.
